

Westminster Warriors Soccer Club

Policy 007 – Canteen Staff

Westminster Warriors has a strong focus on work place health and safety and the safety of children.

In keeping with this philosophy the Club recognises the abundance of potential hazards to untrained or unaware individuals within the Canteen / Clubhouse including:

- Financial hazards;
- Slip, trip and fall hazards;
- Electrical hazards; and
- Hazardous substances.

As a result:

The Clubs Canteen Area is a Child Free Zone

Canteen Staff are to *ensure that no boy or girl under the age of 14 enters the Canteen area*, regardless of whether their parents or guardian are working in the Canteen or whether they are supervised.

Only designated canteen staff may enter the Clubs Canteen Area.

Canteen Staff are to ensure that all *door entry points are locked at all times* to ensure that only rostered canteen staff or those invited by the designated Convenor to assist rostered staff can enter the canteen area.

Any breaches of the above policy are to be reported immediately to the Club's Committee.
