

Westminster Warriors Soccer Club

Policy 008 – SSG (Small Sided Games U7/8) Team Equality)

Westminster Warriors holds and competes in small-sided game competitions for the Under 6, 7 & 8 age groups.

Generally, teams will be formed after consideration of all “Request to Play with a Friend” forms which are completed and received at sign-on.

Teams are not graded on ability however, from time-to-time situations may arise, through no fault of anyone, that one or more teams are either far superior, or far inferior, in ability compared with other Westminster teams.

Should a situation arise whereby one or more teams consistently wins, or loses, by a large margin, because there is an ‘A’ and ‘B’ division within each age group, some teams may be swapped around to try and resolve the situation with minimal disruption to all teams.

Westminster Warriors strives to ensure that the children enjoy their football, and even though scores are not recorded in small-sided games, when one or more teams are consistently beaten by large scores, their enthusiasm for the game quickly diminishes.
