June 2015 Edition

Welcome to our 2015 Season. Welcome back to those who have been with us before and an even bigger welcome to the all our new players and their families. It has already shaped up to be an exciting season, we currently have 355 players in 22 teams from Under 6's to Over 40's.

We actually need more players to fill our Under 12's and Under 14's so if you know any kids who turned 11 or 13 as of 31/12/2014 we would love for them to join our club and play. We are also always taking in new Tiny Tots for our great program. It is for all children aged 3 -5 years old, it is held on a Monday afternoon from 5pm - 6pm and only \$50 for the season. The player will also get a shirt with 'I am a Tiny Tot' on the front.

Club News

Our club is always upgrading we have recently purchased a utility vehicle which is very handy with setting up on Saturdays. We hope to have him/her a name by the next newsletter edition. Our home & away signs have been renewed on our main field, and we have new semi-permanent goal posts on both Field 1 & 2.

But most importantly have you seen our new look storage container?

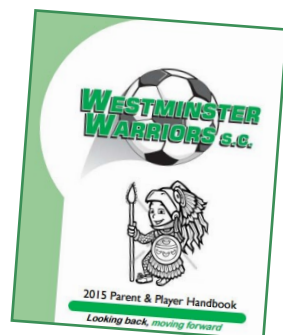

We love it!

Parent and Player Handbook for 2015

Our Parent and Player Handbook has everything you need to know about the club. It is a great little read and very handy to have. It outlines our club details, our vision, expectations, code of conduct, fee information. Plus much much more. “Do Good Things “ Person of the Club for this Edition

Is awarded to.....

Scott Nicol

Scott helped out after the end of a game. We have awarded Scott with \$50 Sanity gift voucher for helping the club. The 'do good things' award is awarded to someone that we would like to name every newsletter because they have used their own initiative and not been asked by the club to do something? This is little way of giving something back to our members that assist us without hesitation, without being asked and shows us some initiative, and we want to honour these people. Thank-you Scott!

Westminster Warriors: Looking Back, Moving Forward

Getting to Know: Manuel Luque

In this edition we are getting to know our Senior Mens Division 3 coach Manuel Luque.

What A-league and EPL teams do you support?

Manuel: Brisbane roar and I'm proud Liverpool supporter

What is your previous soccer experience?

Manuel: I played at Qld lions up to under 16. Have played for 4 seasons with the over '40's at Westminster. I have coached here at Westminster for 15 years..

What would be a football highlight when playing?

Making a Grand final in 2012 with the over 40's. I also remember a sublime pass I gave setting up a wonderful goal to my team mate Chris Kaye. Some memories just stick in your mind.

How did you get involved with Westminster?

It was and still is the local club when my first son started playing. It is a good place to be around.

What role do you see Westminster providing to the players in this community.

Using this wonderful game to provide social interaction for people from all ages from 1-70 years and well as blending different cultures in the community together.

What do you do in your spare time?

Besides coaching, I enjoy gardening, fishing and watching on tv my beloved Liverpool whenever I get the chance. Also love spending time with the family.
